**Product Documents**Documents for our products are available for download at [takarabio.com/manuals](http://takarabio.com/manuals)

The following documents apply to this product:

- ICELL8® cx Single-Cell System User Manual

**Quality Control Data**

The Single-Cell 350v Chip has been visually inspected and found to be free of defects. A representative Single-Cell 350v Chip was functionally tested by dispensing a diluted cell stock stained with a blue/red cell viability imaging kit on a qualified ICELL8 cx Instrument. Dispensed chip was scanned on the qualified instrument and met expected candidate call quality criteria.

It is certified that this product meets the above specifications, as reviewed and approved by the Quality Department.
